

Young Leaders Society Board

Jonathan Romer, YLS Chair

Jonathan Romero, Chair Elect

Katie Butler & Matt Peters, Special Events Chair

Kyle Crilow, Membership Chair

Rebecca Romero, Marketing Chair

Who We Are

The Young Leaders Society is comprised of young professionals with a passion for building community partnerships and outreach.

Our Mission

YLS works to connect young professional with volunteering, networking and fundraising opportunities in the community.

What We Do

YLS presents a two-pronged focus of outreach among the community. First, engagement in this group allows young professionals to create impact within the community through volunteer projects such as Days of Doing. Secondly, members of YLS plan, promote and execute a community wide fundraiser, which provides a financial impact to the United Way's overall community campaign.

How To Get Involved

Want to get involved? The YLS Board work with committee members to help make our efforts possible. Interested leaders are encouraged to complete an application to be considered a committee member. Applications are due in May each year. Applications can be found online at uwbb.org.
